
SATELLITE OFFICES

As a means of bringing government to the people, in 1999 I initiated Bergen County's first Satellite Surrogate's Office program which is operated without additional taxpayer cost. The goal of the program is to make the services of the Surrogate's Office as accessible to the people of Bergen County as possible.

In order to meet one of our clerks at a Satellite Office, you must **FIRST** contact my office at (201) 646-2252 to advise of your interest in this program.

ONLY THEN will you will you be able to schedule an appointment to meet one of our clerks at one of our satellite locations and to discuss the necessary instructions you will need to prepare for that meeting.
